dated 23rd January 63 from the Divisional
Commr. Bangalore on re: disputed land in

Bangalore Rural Dist.

1 For detailed facts of the case kindly
see the letter dated 28th June 1962 of the
Deputy Commr. Bangalore D.

2 Brighten Munigaiyan and 35 others
were granted land by the Dy Commr. Bangalore
in his O.M. No. 190/49-50 dated
6.4.1951 as 2 aces each in of Sno 171 of
Mantapa Village Anekal Taluk under
Depressed Class Concession rules subject to
the condition of non-alienation and other
conditions.

3 On the objection caused by the
authorities of the Forest Dept & the
enjoyment and cultivation of land
granted to them, some of the grantees
approached the Dy Commr. Bangalore
requesting that they may not be disturbed
from cultivating the land.

stated that the area of about 28 aces 10 gts

Suddahalla Rice Reserve Forest Consti-
tuted in 1931 has not been properly
clearly demarcated and thus the fact
of constitution of Suddahalla Rice Forest
was not brought on Revenue accounts
and thus the confusion has led to the
grants of the land as far back as
1951 and he has therefore proposed
for disafforesting an extent of 28 acres
10 guntas so that the grantees may
continue in possession.

The Chief Conservator of Forests 5
who was consulted in the matter has
opined that the area of 28 acres 10 guntas
proposed for disafforestation is not
confined to one place but scattered
here and there, that the release of the
portion results in serious awkward boundary
of the Forest. Further the area is suitable
for afforestation and thus he is not
in favour of release of the area in question
in view of the low percentage of the
Forest in Bangalore Dist. and he has
therefore opined that the grants may

be Cancelled and the grantees maybe
evicted from the land.

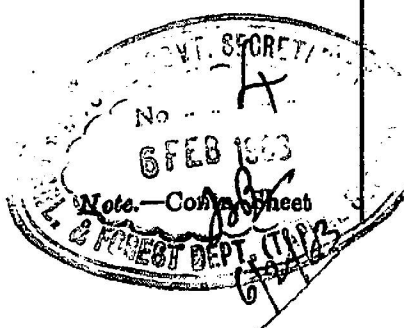

6 The Divisional Comm Bangalore is
of opinion that the area of 28 acres 10 gts
maybe released for cultivation in view
of their long enjoyment and as the
occupants are poor Adikannabakers.

7 The grant was made in the year 1951.
It would be a hard hit if the land is
dispossessed of the grantees as the
disturbance of home. More over it can not
be cancelled as the disturbance of home.
The only course open is to acquire the
landed land in question or take back
the land convincing the concerned
grantees that they will be granted an
equal extent of undisturbed land
which is under the control of Revenue Dept.

8 It is for orders whether the Divisional
Comm maybe asked to enquire whether
there is any land available for being
granted to the dispossessed grantees and
if so whether the grantees are willing to
take the land in exchange for the lands
in question. A & F Dept may also be consulted.

Subject: Disposal of land in S.No.171 of Mantapa

Office of the
Registrar
R.D.

Date. 25 JAN 1963

I enclose herewith a copy of letter No.LND 838
140/61-62 dated 28th June 1962 together with the
connected records received from the Deputy Commissioner,
Bangalore and to state that the Deputy Commissioner had
reported that 36 Harijans were granted at 2 acres each
in S.No.171 of Mantapa village, Anekal Taluk, free of cost
under Depressed Class Darkhast Rules and had proposed that
an area of 28 acres 10 guntas may be disafforested as it
would be a hard hit if the land is dispossessed of the
grantees at this distance of time. The Chief Conservator
of Forests who was consulted in the matter has opined
that the area of 28 acres 10 guntas proposed for disafforestation
is not confined to one place but scattered here and there,
that the release of the portion results in serious awkward
boundary of the forest. Further the area is suitable
for afforestation. He is not in favour of release of the
area in question in view of the low percentage of the forest
area in Bangalore District. He has therefore opined that
the grants may be cancelled and they may be evicted from the
forest area (vide copy enclosed).

2. I am of opinion that the area of 28 acres 10 guntas
proposed by the Deputy Commissioner may be released for
cultivation in view of their long enjoyment and as the
occupants are poor Adikarnatakas.

Yours faithfully,

For Divisional Commissioner.

Letter No.LND 838 C 4740/61 dated 28th June 1962
from the Deputy Commissioner, Bangalore District, to the
Divisional Commissioner, Bangalore Division.

Subject: Disposal of land in S.No.171 of Mantapa village,
Anekal Taluk.

In enclosing the connected file of record received with report No.LND SR 5.38/61-62 dated 28-3-62 I write to state that 36 Harijans were granted land at 2-00 acres each in S.No.171 of Mantapa village, free of cost under D.D. Rules as per this office Official Memorandum No.M2-DAR 149/49 dated 6-4-51 and saguvali chits were also issued to the grantees and pucca phodi in respect of 18 grantees.

The Range Forest Officer has addressed a letter to the Tahsildar, Anekal Taluk, stating that Sriyuths Abbiah and Muniswamappa have forcibly trespassed into Forest land, cleared the standing growth, broken up the trenches formed and started ploughing and that he has already given complaint to the Police.

The Tahsildar has reported that as per particulars furnished by the Range Forest Officer in his letter No.3151/61-62 dated 7-3-62 that Suddahalla Lac Reserve Forest has been constituted to an extent of 388-00 acres as per G.O.4846-11-119-314 dated 15-12-1931. He has further reported that the area so constituted was not clearly demarcated and the fact of constitution was not brought on revenue accounts and thus the confusion has led the grant of the land as far back as 1951.

As it would be a hard hit if the land is dispossessed of the grantees at this distance of time, I therefore request that kind orders may be obtained for disafforesting an extent of 28 acres 10 guntas so that the grantees may continue in possession.

FACTS:

The Divisional Commissioner has submitted proposals received from the Deputy Commissioner, Bangalore and has stated that 33 Harijans were granted lands at 3 acres in S.No.171 of Mantapa Village, Ankal Taluk free of cost under Depressed Class Darkhast Rules. The Deputy Commissioner, Bangalore has proposed that an area of 23 acres and 10 Guntas may now be disforested as the existence of the grantees at this distance of time would hard hit them. But the Chief Conservator of Forests who was also consulted in the matter has opined that the area of 23 acres and 10 Guntas proposed for disforestation is not confined to one place but scattered here and there and that the release of the area results in serious awkward boundary of the forest. It is also stated by the Chief Conservator of Forests that the area is well suited for purposes of Afforestation and therefore in view of these facts, the Chief Conservator of Forests is not in favour of the release and he has also requested for the cancellation of the grant made by the Revenue Department.

The Divisional Commissioner in his letter dated 6th August 1933 has stated that the present available good land in Mantapa Village is not fit for cultivation purpose and there is no land available for disposal in favour of the grantees. It is also reported that the grantees are not agreeable to take up the land in other villages since they have spent a huge money to improve the land from the very beginning and hence he has requested for confirmation of the land in favour of the grantees.

O R D E R

Government after careful consideration are pleased to order the release of an area of 23 acres and 10 guntas in S.No.171 of Mantapa Village, Ankal Taluk as proposed by the Revenue Department and the area is surrendered to Revenue Department for being given to the grantees with the usual terms and conditions as are in V. 63 in Revenue Department.

The Chief Conservator of Forests is directed to take further action in the matter.
